Legacy *of* Excellence

For over 24 years, we at **Shah TC** have proudly built strong partnerships— with a wide network of **1800+ customers** across India including major multinationals and with **70+ leading suppliers in China.**

From the very beginning, our mission was to ensure that Indian formulators and manufacturers have access to the best pharma raw materials. Today, Shah TC stands among India's most respected names in the distribution of APIs, Excipients, Nutraceuticals, and Veterinary ingredients with over **100+ differentiated products** in our portfolio.

Our Strengths:

- **Customer Service:** Robust support for every sales and delivery need.
- **Operational Excellence:** Smart logistics, multiple audit-ready warehouses, pan-India supply with last-mile delivery support.
- **In-house Regulatory Team:** Complete documentation support for both domestic and export markets.

We are proud of the trust we have built—and we are committed to raising the bar, every day.
